KALOBO PAVYUMA	1ST RESPONDENT
THE ELECTORAL COMMISSION OF ZAMBIA	2ND RESPONDENT

1ST RESPONDENT'S AFFIDAVIT IN OPPOSITION

I, KALOBO PAVYUMA of Plot 6540, Riverside, Kitwe, Copperbelt Province of the Republic of Zambia, do hereby MAKE OATH and SAY as follows:

1. That my full names and address are as stated above.

2. That I am the 1st Respondent herein and thus competent to swear to the contents of this my affidavit from facts and matters that are either within my personal knowledge, in which case they are true, or have been learnt by me through perusal of documents and by discussion with my agents, in which case they are true to the best of my knowledge,

information and belief, and I depose to the same in opposition to the Petition and to the Affidavit Verifying Facts in the Petition sworn by the Petitioner.

3. That I was a candidate in the Parliamentary elections for Wusakile Constituency held on the 13th day of August, 2026.

4. That how I became a candidate is that sometime in May, 2026, I successfully filed in my nomination as a candidate sponsored by the National Restoration Party for Unity and Prosperity – NRPUP for Wusakile Parliamentary elections and I stood as an NRPUP Candidate in the said elections.

5. That after my nomination I formed a campaign team for the election, and I and the team took out to campaign in the said election and that my campaign was issue based, peaceful and in accordance with the law.

6. That the appointed campaign team and electoral agents and poll agents were trained and educated on how to conduct themselves during campaigns and elections and after the election.

7. That I told my campaign team, electoral agents and polling agents to strictly follow the law and never to engage in any electoral malpractices and electoral process breaches. I warned them that I would not tolerate any wrong doing as I wanted my campaign to be lawful and peaceful at all times.

8. That I never allowed any one of my campaign team and electoral agents and polling agents to engage in any corrupt, illegal practices, bribery, undue influence, threats, bullying, intimidation or violence or indeed any other thing that was prohibited by law, morality and our traditional customs and values as Zambians.

9. That at all times during our campaigns, elections and after elections I and my campaign team were peaceful and never engaged in any vices or illegal practices.

10. That after the poll, I was declared the winner of the poll having been validly elected as a Member of Parliament for the said Wusakile Constituency.

11. That I have perused through what purports to be an Affidavit Verifying Facts of the Petition, sworn in by the Petitioner, one Katayi Chibesa and I wish to respond in as it is hereunder contained.

12. That Paragraphs 1 to 6 of the Petitioner's said Affidavit are matters peculiarly within the knowledge of the Petitioner, and I neither admit nor deny the same.

13. That Paragraph 7 of the Petitioner's said Affidavit is denied and wish to state that to the best of my knowledge there was no violence that engulfed the Wusakile Parliamentary Constituency, or any part thereof as alleged and that the Parliamentary Elections held on 13th August, 2026 in the said Constituency were generally peaceful.

14. That Paragraph 8 of the Petitioner's said Affidavit is admitted as correct.

15. That Paragraph 9 of the Petitioner's said Affidavit is denied in so far as it states that the Returning Officer declared me duly elected on the 17th day of August, 2026 and wish to state that I was lawfully declared as the winner of the election on the 18th August, 2026.

16. That Paragraph 10 of the Petitioner's said Affidavit is admitted as correct.

17. That Paragraph 11 of the Petitioner's said Affidavit is a matter peculiarly within the knowledge of the Petitioner, and I neither admit nor deny the same.

18. That Paragraph 12 of the Petitioner's said Affidavit is denied as I at all times followed the laid down procedure and the campaign timetable issued by the 2nd Respondent, and that at no time did I campaign outside of my scheduled areas or times. Now produced and

shown to me marked **"PK1"** is a true copy of the said campaign timetable.

19. That the allegations contained in paragraph 13 of the Petitioner's said Affidavit are false, based on hearsay, and are denied as no such thing happened and I wish to state that all my supporters were peaceful and never were they allowed by me or my agents to breach any electoral laws and processes.

20. That Paragraph 14 of the Petitioner's said Affidavit is denied as no intimidation of the Petitioner's ECZ-accredited agents occurred whether caused by me my agents or my supporters and that the said agents were not caused to abandon their polling stations by any act or omission on my part. I wish to further state that I never authorized anyone to do any such alleged things.

21. That Paragraph 15 of the Petitioner's said Affidavit is denied and I wish to maintain that none of my supporters stormed into any polling station as alleged or at all.

22. That Paragraph 16 of the Petitioner's said Affidavit is denied as no supporter of mine stormed any polling station, the premise of this paragraph does not arise.

23. That Paragraph 17 of the Petitioner's said Affidavit is denied. I wish to state that the allegation is an opinion or an imagination of the Petitioner as I did not target any polling area on the basis of the number of registered voters therein, or at all.

24. That Paragraph 18 of the Petitioner's said Affidavit is denied. No such thing ever happened as neither I nor my sponsoring party, the NRPUP, placed any agents at the gate of Wusakile Secondary School, or anywhere else, to guide voters as alleged.

25. That Paragraph 19 of the Petitioner's said Affidavit is denied, as I am not aware of such thing ever happening in the Wusakile

constituency and that I and my supporter did not engage in such conduct as alleged.

26. That Paragraph 20 of the Petitioner's said Affidavit is denied. I wish to state that my supporters did not storm any polling station or Totaling Center, nor did they interfere with the counting or compiling of results.

27. That Paragraph 21 of the Petitioner's said Affidavit is denied. Neither I nor my agents engaged in any act of vote buying or voter manipulation, and that no canvassing was carried out on my behalf after the close of campaigns.

28. That Paragraph 22 of the Petitioner's said Affidavit is denied. I wish to state that I did not, before or at any other time, declare myself winner of the Wusakile Parliamentary Constituency seat, and that no video recording exists showing me doing so.

29. That I make no comment on paragraph 23 of the Petitioner's said Affidavit as the same constitute opinions and conclusions.

30. That as to paragraph 24 of the Petitioner's said Affidavit, the particulars pleaded thereunder are denied as follows:

a) It is denied that I clashed, attacked or had any confrontation with the Petitioner or his campaign team in Chibote Ward, or anywhere else, on or about 23rd June, 2026, or at all and I wish to state that there were no report that suggests that I committed any such offences as I have never been called by the police to go and answer to any charge. The correct position is that the Petitioner and his party UPND are the ones who engaged in violence as they attached my team at Fire Fire Church and a complaint was made to that effect on the 25th June, 2026. Now shown to me and produced is a copy of the complaint and marked **"PK2".**

b) It is not true, and it is denied, that I at any point placed any agents or persons at strategic points around any polling station to intercept, guide or bribe voters. I wish to further state that I and my campaign team followed the law in campaigns, on voting day and after voting\..

c) Paragraph 24 (c) and (d) are not true and are denied as they don't bear any truth.

d) Paragraph 24 (e) is not true and is denied and that I am not aware that my agents did what it is alleged they did and that I did not allow, authorize or consent to be done anything that has been alleged.

31. That Paragraphs 25 and 26 of the Petitioner's said Affidavit are denied and wish to state that no acts of illegality, whether as alleged or at all occurred in any of the six wards comprising the Constituency. I wish to state further that there was full compliance with the Electoral Process Act and the Electoral Code of Conduct throughout the campaign and voting process.

32. That Paragraph 27 and 28 of the Petitioner's said Affidavit denied as the same constitute opinions and I wish to state that there was no event in Wusakile that compromised the quality and integrity of the elections in Wusakile Constituency.

33. That Paragraph 29 of the Petitioner's said Affidavit is denied and I wish to state that the declared result is a true and accurate reflection of the will of the electorate of Wusakile Constituency.

34. That Paragraph 30 of the Petitioner's said Affidavit is denied as I did not declare myself as the winner at any point in time before the official declaration by the 2nd Respondent.

35. That Paragraph 31 of the Petitioner's said Affidavit is denied as the same constitute an opinion and that I did not declare myself winner at any time, the premise of this paragraph does not arise.

36. That as to paragraph 32 of the Petitioner's said Affidavit, it is admitted that the Returning Officer declared me duly elected as Member of Parliament for Wusakile Constituency and as to the remainder of the paragraph, I wish to state that the conduct of the counting and totaling process and whether or not to permit a recount was a matter entirely within the powers of the 2nd Respondent and not myself, and I am accordingly not aware whether or not a request was made by anyone for a recount.

37. That I make no comment as to why the Petitioner's agents did not sign the GEN 20 form referred to in paragraph 33 of the Petitioner's said Affidavit, this being a matter between the Petitioner and the 2nd Respondent.

38. That Paragraph 34 of the Petitioner's said Affidavit is denied as the same is an opinion and a conclusion that is made without supporting facts as no act of violence, intimidation or other malpractice, whether as alleged or at all, occurred so as to prevent any voter from voting for a candidate of their choice.

39. That I make no comment on paragraph 35 of the Petitioner's said Affidavit, this being a matter between the Petitioner and the 2nd Respondent, to which I am not privy.

40. That Paragraph 36 of the Petitioner's said Affidavit is denied as it is also and opinion and a conclusion made without supporting facts as no act of violence or intimidation, whether as alleged or at all, was unleashed by me, my agents or my supporters, and that no apathy was occasioned to the Petitioner's detriment or any candidate by reason of any conduct on my part.

41. That Paragraph 37 of the Petitioner's said Affidavit is denied and wish to state that neither I nor my sponsoring party, the NRPUP, engaged in bribery, obstructed any voter from entering a polling station,

or campaigned within any polling station or its surrounding vicinity on the polling day.

42. That I deny that the Petitioner is entitled to any of the reliefs sought in paragraph 38 of the Petitioner's said Affidavit and in the Petition, or to any relief at all.

43. That I depose to the contents of this my affidavit verily believing the same to be true and correct to the best of my knowledge, information and belief.
