## ELECTION PETITION

---

The Petition of **ANTHONY KASANDWE** a Zambian National who ordinarily resides at Malombola Village in Samfya District in Luapula Province of the Republic of Zambia and for purposes of this Petition, his address for service is Messrs. Linus and Partners of Plot No. 6, Sianjalika Road, Woodlands in the City and Province of Lusaka.

1. Your Petitioner is a person claiming to be a candidate in the Parliamentary Election for the Bangweulu Constituency in Samfya District of the Luapula Province of the Republic of Zambia having duly filed his nomination to which this Petition relates.

2. Your Petitioner states that the election to which this Petition relates was held on the 13th day of August, 2026 when your Petitioner **Anthony Kasandwe** and the Respondent **Happy Mampa** were candidates and the returning officer has declared **Happy Mampa** as being duly elected.

3. Your Petitioner says that:

   (a) On 13th August, 2026, elections were held in Bangweulu Constituency for the election of Member of Parliament and the candidates who successfully filed their nominations for the Bangweulu Constituency Parliamentary seat included Chabala Moses of Zambia Must

Prosper (ZMP), Chama Reuben standing as an Independent (IND), Chanda Derrick of Citizens First (CF), the Petitioner standing under the National Reconciliation Party for Unity and Prosperity (NRPUP) and the 1st Respondent Happy Mampa standing under the United Party for National Development (UPND).

(b) On 13th August, 2026, elections were held in Bangweulu Constituency for the election of Member of Parliament and between 14th August, 2026 and 15th August, 2026 results from 99 of 112 Polling Stations were verified. However, only results for 96 of the 99 Polling Stations were printed and announced by the Returning Officer at the totaling Centre at Samfya Town Council Chamber.

(c) The printed results for the said 96 Polling Stations were duly confirmed and accepted by all the stakeholders notwithstanding the results for the 3 Polling Stations that were not entered. Hence, at this point, only results from 13 Polling Stations remained to be verified and announced.

(d) According to the verified votes from the 96 Polling Stations for all the participating candidates, the top two contenders were the Petitioner and the 1st Respondent and from the verified votes counted from the 96 Polling Stations, the Petitioner had a total of 10,572 votes while the 1st Respondent had 9,805 votes. Therefore, the Petitioner was in the lead with 767 of the votes verified.

(e) However, on 15th August, 2026, the 2nd Respondent's Returning Officer Kabo Milton informed all the stakeholders present that he had been instructed by the 2nd Respondent to close the Totaling Centre and postpone all election related business that is the verification and announcement of election results to the following day at 10:00 hours.

(f) Upon the said announcement, armed Zambia Police Service Officers moved in and instructed that all the stakeholders to leave the Totaling Centre and come back the next day. However, the ballot boxes and the Gen 20 Forms for the remaining results from the 13 Polling Stations were left with the Returning Officer and other officers of the 2nd Respondent.

(g) When the Petitioner and other stakeholders arrived at the Totaling Centre around 09:00 hours on 16th August, 2026, they were all refused entry by the armed Zambia Police Service Officers present. As a result, the Petitioner and other stakeholders went to see the District Electoral Officer Mr. Paul Kabwebwe at his office.

(h) According to Mr. Paul Kabwebwe, the results for the 13 Polling Stations were ready for verification and announcement and that the Returning Officer would proceed in that regard at the Totaling Centre.

(i) However, when the Petitioner and the other stakeholders present approached the Returning Officer to verify and announce the results for the remaining 13 Polling Stations, the Returning Officer refused to announce the results. He however informed the stakeholders present that results would only be announced when instructions to that effect were received from the 2nd Respondent.

(j) From the agreed 10:000 hours when the verification and announcing of results was scheduled to take place as indicated the previous day, the Totaling Centre was never opened

for purposes of election business.

(k) However, around 18:00 hours on the 16th of August, 2026, the Returning Officer without verification and announcement of results from the remaining 13 Polling Stations as indicated, proceeded to announce final results for the 112 Polling Stations of the Bangweulu Constituency.

(l) According to the results of the 112 Polling Stations, the 1st Respondent received a total of 13,012 votes while the Petitioner received a total of 12,071 votes. From the results announced, the 1st Respondent won the election with a difference of 941 votes and the Returning Officer on the same day, the 16th of August, 2026 declared the 1st Respondent as duly elected Member of Parliament for Bangweulu Constituency.

(m) The Petitioner will aver that upon receipt of the record of proceedings at the totaling of votes duly signed by the Returning Officer representing the election results from all the 112 Polling Stations, the results did not represent the true reflection of the votes announced.

(n) Further, the Petitioner will aver that there were discrepancies with respect to votes counted from 8 of the 13 Polling Stations that were not announcement particularly **Kaishe 1, Sakala 2, Ninge, Mufimba, Yongolo 1, Chesemba, Chinsanka 1** and **Njipi 1**. In these named Polling Stations, the 1st Respondent was given inflated figures from the actual votes received against the figures on actual Gen 20 Forms.

(o) The Petitioner will further aver that in some of the Polling Stations, the 1st Respondent was given votes that went beyond the total number of votes cast by the registered voters before allocation of the votes to the individual participating candidates.

(p) The Petitioner will aver that contrary to the results announced by the Returning Officer, the actual outcome of the results from 112 Polling Stations including results from the 13 Polling Stations indicate the Petitioner was in fact, the duly elected Member of Parliament for Bangweulu Constituency.

(q) The Petitioner will also aver that the declaration of the 1st Respondent was based on election results which included discrepancies and did not reflect the true votes counted for all the 112 Polling Stations in the Constituency and as such, the Returning Officer failed to perform his duties as an Election Officer.

(r) The Petitioner will therefore aver that the conduct of the 2nd Respondent's Returning Officer in the circumstances contravened the provisions of Section 72, 92, 96 and 97 (1) (b) of the Electoral Process Act No. 35 of 2016.

4. **WHEREOF** your Petitioner **PRAYS** for a declaration that:

***(a) The election of the 1st Respondent be declared void; or***

***(b) The Petitioner be declared duly elected.***

Signed by: _____

**THE PETITIONER**

Dated at _____ this _____ day of _____, 2026.

## AFFIDAVIT VERIFYING FACTS IN ELECTION PETITION

---

**I, ANTHONY KASANDWE** a Zambian National ordinarily resident at Malombola Village in Samfya District in Luapula Province of the Republic of Zambia **DO HEREBY** make **OATH** and **SOWETH** as **FOLLOWS**:-

1. That my full name and nationality are as stated above.

2. That I was a candidate vying for the Bangweulu Constituency Parliamentary seat in the just ended General Elections held on the 13th August, 2026 and it is in this capacity that I depose to the contents of this my Affidavit from facts within my personal knowledge and belief.

3. That the candidates who successfully filed their nominations for the Bangweulu Constituency Parliamentary seat included Chabala Moses of Zambia Must Prosper (ZMP), Chama Reuben standin as an Independent (IND), Chanda Derick of Citizen First (CF), me standing under the National Reconciliation Party for Unity and Prosperity (NRPUP) and the 1st Respondent Happy Mampa standing under the United Party for National Development (UPND).

4. That the election for Bangweulu Constituency was characterized by blatant disregard of Electoral procedures perpetrated by the 2nd Respondent in clear contravention of the electoral

process rules and guidelines.

5. That in support of paragraph 4 above, on 13th August, 2026, elections were held in Bangweulu Constituency for the election of Member of Parliament. Between 14th August, 2026 and 15th August, 2026 results from 99 of 112 Polling Stations were verified but only results for 96 of the 99 Polling Stations were printed and announced by the returning officer at the totaling Centre at Samfya Town Council Chamber.

6. That the printed results for the said 96 Polling Stations were duly verified and accepted by all the stakeholders notwithstanding the results for the 3 Polling Stations that were not entered. Hence, at this point, only results from 13 Polling Stations remained to be verified and announced.

7. That according to the verified and announced votes from the 96 Polling Stations for all the participating candidates, the top contenders was me and the 1st Respondent and according to verified votes, I had a total of 10,572 votes while the 1st Respondent had 9,805 votes. Therefore, I was in the lead with 767 of the votes verified.

8. That on 15th August, 2026, the 2nd Respondent's Returning Officer Kabo Milton informed all the stakeholders present that he had been instructed by the 2nd Respondent to close the Totaling Centre and postpone the verification and announcing of election results to the following day at 10:00 hours. Further, the Returning Officer confirmed to the stakeholders present that the ballot boxes and Gen 20 Forms for the 13 Polling Stations were in the possession of the Returning Officer.

9. That upon the said announcement armed Zambia Police Service officers moved in and instructed that all the stakeholders leave the Totaling Centre and come back the next day as advised. However, the ballot boxes and the Gen 20 Forms containing results for the remaining 13 Polling Stations were left with the officers of the 2nd Respondent at the Totaling Centre.

10. That the following day on the 16th August, 2026, when we arrived at the Totaling Centre around 09:00 hours, we were refused entry to the Totaling Centre by the armed Zambia Police Service Officers present. Upon being denied entry to the Totaling Centre, we went to see the District Electoral Officer Mr. Paul Kabwebwe at his office.

11. That upon informing the District Electoral Officer of what was transpiring at the Totaling Centre, he informed us that the results for the 13 Polling Stations were in fact ready for verification and announcement and that the Returning Officer would proceed in that regard at the Totaling Centre. He therefore advised that we return to the Totaling Centre for the verification and announcement of results

12. That when we returned to the Totaling Centre and requested for verification and announcement of results for the remaining 13 Polling Stations as advised by the District Electoral Officer, the Returning Officer refused to conduct any verification or announcement of results stating he would only announce results after receipt of instructions to that effect from the 2nd Respondent.

13. That therefore, from the time when the verification and announcing of results was scheduled to take place as indicated the previous day, the Totaling Centre was never opened. In fact, it was only after 18:00 hours on the 16th of August, 2026 that the Returning Officer without verifying and announcing results for the remaining 13 Polling Stations, proceeded to announce final results which consisted of all the 112 Polling Stations in the Bangweulu Constituency.

14. That according to the results, the 1st Respondent received a total of 13,012 votes while the Petitioner received a total of 12,071 votes. From the results announced, the 1st Respondent won the election with 941 votes and the Returning Officer declared the 1st Respondent as duly elected Member of Parliament for Bangweulu Constituency.

15. That at the announcement of the results, the parties were availed the record of proceedings at the totaling center of votes duly signed by the Returning Officer representing the election results from all the 112 Polling Stations. However, a perusal of the results recorded did not represent the true reflection of the votes announced as against the Gen 20 Froms.

16. That the results recorded had significant discrepancies with respect to votes recorded from 8 of the 13 Polling Stations that were not announcement particularly **Kaishe 1**, **Sakala 2**, **Ninge**, **Mufimba**, **Yongolo 1**, **Chesemba**, **Chinsanka 1** and **Njipi 1**. In these Polling Stations, the 1st Respondent was given inflated figures from the actual votes cast.

17. That for instance at Ninge Polling Station, the results from the Gen 20 Form showed that the 1st Respondent had obtained 145 votes while the record of proceedings indicated the 1st Respondent had obtained 545 votes which went beyond the total number of votes cast at the said polling station which was 529 votes.

18. That in addition; at Kaishe 1 Polling Station the results from the Gen 20 Form showed that the 1st Respondent had obtained 82 votes while the record of proceedings indicated the 1st Respondent had obtained 382 votes which went beyond the total number of votes cast at the said Polling station which was 363 votes.

19. That from the foregoing, the declaration of the 1st Respondent was based on election results which included discrepancies and did not reflect accurate and verified votes counted for all the 112 Polling Stations in the Constituency and as such, I have been advised by advocates and I verily believe that the Returning Officer failed to perform his duties as an Election Officer.

20. That further to paragraph 18 above, I have been advised by my advocates and I verily believe that the conduct of the 2nd Respondent's Returning Officer to postpone the announcing of election results, not verifying and announcing election results for 13 Polling Stations and announcing results that did not reflect the true votes cast in the circumstances, contravened the duly established Electoral Process Rules.

21. That with respect to the foregoing paragraphs, I have been advised by my advocates and I verily believe that the conduct of the 2nd Respondent is wrongful and the same, contravened the electoral rules and as such, renders the election of the 1st Respondent as Member of Parliament for Bangweulu Constituency void and I seek, the reliefs stated in my Petition.

22. That the contents of this Affidavit are true and correct to the best of my knowledge, information and belief.

## SKELETON ARGUMENTS FILED IN SUPPORT OF ELECTION PETITION

---

**IF IT MAY PLEASE THIS HONOURABLE COURT**, these are the Petitioner's Skeleton Arguments filed in support of Election Petition challenging the validity of the election of the 1st Respondent as Member of Parliament for Bangweulu Constituency on 13th August, 2026. The Petitioner shall therefore rely on the following authorities:

**LEGISLATION:**

2. THE CONSTITUTION OF ZAMBIA (AMENDMENT) ACT, NUMBER 2 OF 2016.
3. THE ELECTORAL PROCESS ACT, NUMBER 35 OF 2016.
4. THE HIGH COURT (ELECTION PETITION) RULES, 2026

**INTRODUCTION**

At this Juncture, is the Petitioner's submission that what needs to be determined is whether the Petition herein has been properly brought before the Court.

**THE LAW**

First, the Petitioner relies on the **CONSTITUTION OF ZAMBIA (AMENDMENT) ACT, NUMBER 2 OF 2016** which demands compliance by political parties and candidates participating in elections to comply with electoral code of conduct. Article 54 of the Constitution therefore provides that;

***'A candidate and a political party shall comply with a prescribed electoral code of conduct.'***

Therefore, failure to comply with the electoral code of conduct can give rise to an election petition challenging the election of a Member of Parliament. In this regard, **ARTICLE 73 (1) OF THE CONSTITUTION OF ZAMBIA (AMENDMENT) ACT, NUMBER 2 OF 2016**, further provides that;

***'A person may file an election petition with the High Court to challenge the election of a Member of Parliament.'***

Taking into consideration the foregoing authority, the **ELECTORAL PROCESS ACT NO. 35 OF 2026** under Part VIII provides for various election offences upon which an election of Member of Parliament may be challenged. **Section 96 of the Act** provides that;

***"(1) A question which may arise as to whether—***

***(a) A person has been validly appointed or nominated as a Member of Parliament;***

*(b) the seat of an elected or nominated Member of Parliament, mayor, council chairperson or councilor, has become vacant, other than a question arising from the election of a candidate as a Member of the Parliament; or*

*(c) A petition may be heard and determined by the High Court or tribunal upon application made by—*

*(i) Any person to whom the question relates; or*

*(ii) The Attorney General; may be determined by the High Court or a tribunal, as the case may be.*

*(2) A person who makes an application to the High Court or a tribunal under subsection (1), has the right to appear and be represented before the High Court or tribunal.*

*(3) Subject to any rules of court or tribunal, the powers, practice and procedure of the High Court or a tribunal in respect of the trial of an election petition under this Part shall apply, with the necessary modifications, to the hearing and determination of such applications.*

Further, the law under **SECTION 97 (1) and (2) (b) OF THE ELECTORAL PROCESS ACT** also provides that;

*(1) An election of a candidate as a Member of Parliament, mayor, council chairperson or Councillor shall not be questioned except by an election petition presented under this Part.*

*(2) The election of a candidate as a Member of Parliament, mayor, council chairperson or councilor shall be void if, on the trial of an election petition, it is proved to the satisfaction of the High Court or a tribunal, as the case may be, that—*

*(b) Subject to the provisions of subsection (4), there has been non-compliance with the provisions of this Act relating to the conduct of elections, and it appears to the High Court or tribunal that the election was not conducted in accordance with the principles laid down in such provision and that such non-compliance affected the result of the election;*

The provisions of **SECTION 98 OF THE ELECTORAL PROCESS ACT** also provides that;

***An election petition may be presented to the High Court or a tribunal by one or more of the following persons:***

***(a) A person who lawfully voted or had a right to vote at the election to which the election petition relates;***

***(b) A person claiming to have had a right to be nominated as a candidate or elected at the election to which the election petition relates;***

***(c) A person claiming to have been a candidate at the election to which the election petition relates; and***

***(d) The Attorney General.***

The Act further provides under **SECTION 99** that;

***Any of the following reliefs may be claimed in an election petition:***

***(a) A declaration that the election was void; or***

***(b) A declaration that any candidate was duly elected.***

In accordance with above provisions, the **HIGH COURT (ELECTION PETITION) RULES OF 2026** accordingly provides a guide to the contents of an election petition and how the election petition should be filed. Rule 9 accordingly provides as follows:

***"9. (1) A person who intends to challenge the election of a Member of Parliament shall file an election Petition in Form III set out in the First Schedule on payment of a fee set out in the Second Schedule.***

***(2) An Election Petition referred to under sub rule (1) shall disclose the-***

***(a) Name and address of a petitioner or the petitioner's legal practitioner, if any;***

***(b) Constituency in which an election petition being challenged was held;***

***(c) Outcome or results of an election petition being challenged;***

***(d) Date of declaration of the results of an election being challenged;***

***(e) Grounds relied on; and***

***(f) Relief sought by a petitioner.***

***(3) An election petition referred to under sub rule (1) shall be accompanied by-***

***(a) An affidavit verifying facts;***

***(b) Skeleton arguments of not more than fifteen pages, in font size 12 and with double spacing;***

***(c) List of authorities and copies of those authorities;***

***(d) A list and description of documents, if any.***

In the case in casu, the Petitioner filed this petition aimed at invalidating the election of the 1st Respondent as Member of Parliament for Bangweulu Constituency and the Petitioner in his petition has alleged non-compliance with the Electoral Process Act. The Petition submits that the no-compliance arises from the 2nd Respondents actions relating to the stopping and or adjourning the verification and announcing of election results on 15th August, 2026 to 16th August, 2026.

Further, the failure of the 2nd Respondent's Returning Officer not verifying and announcing results for 13 Polling Stations and further announcing results that did not represent the true or correct votes cast and counted for over 8 Polling Stations contrary to the provisions of **SECTION 72 (1) (b) OF THE ELECTORAL PROCESS ACT** which provides as follows:

***"(1) Upon receipt of the items mentioned in section seventy-one, a returning officer shall tally the results of votes received from the polling station in the constituency, district and ward and shall-***

***.....(b) declare the results for the National Assembly and Ward election.."***

Notwithstanding the foregoing, the Returning Officer as an election officer at the totaling centre in the circumstances, deliberately failed to perform his functions contrary when he, despite having

received the results for the 13 Polling Stations decided not to announce the said results. This was contrary to the provisions of **SECTION 92 OF THE ELECTORAL PROCESS ACT** which provides that;

***"An election officer who willfully fails to perform the functions of that office under this act commits an offence and is liable, upon conviction, to a fine not exceeding two hundred thousand penalty units or to imprisonment for a term not exceeding two years, or to both"***

With respect to the foregoing, the Petitioner's Petition herein is properly before the Court for determination.
