BETWEEN:

TAYENGWA ANDREW — PETITIONER

AND

YENGA DANNY — 1st RESPONDENT
ELECTORAL COMMISSION OF ZAMBIA — 2nd RESPONDENT

ANSWER TO PETITION

Pursuant to Rule 10(1) of the High Court (Election Petition) Rules, 2026 Statutory Instrument 31 of 2026

THE 1ST RESPONDENT RESPONDS TO THE PETITION AS FOLLOWS:

[1.0] The 1st Respondent admits the contents of paragraphs 1 to 5 of the Election Petition.

[2.0] In answer to paragraph 6 of the Election Petition, the 1st Respondent denies the allegations contained therein, and avers that he was duly elected in the 13th August, 2026, elections, as

announced by the 2nd Respondent, and the Petitioner will be put to strict proof of all allegations to the contrary.

[3.0] The contents of paragraph 8 of the Election Petition are firmly denied, and the Petitioner will be put to strict proof thereof. In answer, the 1st Respondent avers that the alleged practices and misconduct in the elections, as detailed by the Petitioner, are false, malicious and void of any validity, as the 1st Respondent and his agents conducted themselves in no such manner as to abrogate the free and fair election and the electoral process itself. Further, the 1st Respondent avers that neither he nor his agents acted in the manner alleged so as to contravene the provisions of Part VIII of the Electoral Process Act No. 35 of 2016 and Article 45(2)(a)(b) of the Constitution Act No. 2 of 2016.

[4.0] On the contrary, the Petitioner and/or persons acting in concert with him and his agents engaged in acts of violence, intimidation and threats against the 1st Respondent's campaign team and supporters. In particular, on or about the 15th day of July, 2026, the Petitioner's agents and/or supporters attacked the 1st Respondent's constituency campaign center situated at Plot No. 277 Chilumbulu Road, Libala Stage 3, Lusaka, and during the said attack, various items of property were damaged, and several individuals present at the command center were assaulted and sustained injuries.

[5.0] Notwithstanding the violence and disruption referred to above, the 1st Respondent secured the majority of valid votes cast and was duly declared elected as Member of Parliament for Kabwata Constituency.

[6.0] In answer to paragraphs 8(i) to (xv) of the Election Petition, the 1st Respondent responds as follows:

[6.1] With regard to the contents of paragraph 8(i), the 1st Respondent avers that the allegation of the ballot boxes being moved from the totalling centre, and concerning the management of the same, is within the peculiar knowledge of the Petitioner.

[6.2] The contents of paragraph 8(ii) are within the peculiar knowledge of the Petitioner, and the 1st Respondent puts the Petitioner to strict proof.

[6.3] Paragraph 8(iii) is within the peculiar knowledge of the Petitioner, and the 1st Respondent renders no comment on the same. The Petitioner is put to strict proof thereof.

[6.4] In answer to paragraph 8(iv), the 1st Respondent denies the allegations raised therein and avers that the duty of managing the ballot boxes in question lies with the 2nd Respondent.

[6.5] The contents of paragraph 8(v) are within the peculiar knowledge of the Petitioner and will therefore be put to strict proof thereof.

[6.6] In answer to paragraph 8(vi), the allegations traversed therein are expressly denied, and neither the 1st Respondent in his personal capacity, nor acting through his agents, induced or caused to be induced any persons so as to solicit votes, and the Petitioner will be put to strict proof therein.

[6.7] The 1st Respondent states, in answer to paragraphs 8(vii) and (viii), that the contents contained therein are within the peculiar knowledge of the Petitioner; suffice it to state that the 1st Respondent was duly declared winner of the Kabwata Constituency election after announcement of the results by the Returning Officer.

[6.8] The contents of paragraph 8(ix) and (x) are denied, and the 1st Respondent avers that no such actions of campaigning, displaying of lamp symbols, or making of statements in support of the 1st Respondent occurred at various polling stations across Kabwata Constituency. The Petitioner is put to strict proof of the alleged occurrences.

[6.9] In answer to paragraphs 8(xi), (xii) and (xiii), the 1st Respondent denies the allegations therein and avers that no such occurrence of violence, disruption of vote counting, or vote stuffing was caused by the 1st Respondent's agents or cadres at Arthur Wina Polling Station. Further, it is firmly denied that the alleged destruction of the two vehicles with registration numbers BAZ 5123 and AIF 9514 has any connection with the 1st Respondent or his agents, and the Petitioner is put to strict proof thereof.

[6.10] The contents of paragraph 8 (xiv) are expressly denied, as there is no proof of any existent connection between the 1st Respondent or his agents and the alleged violence occasioned on the three individuals namely, Bbanabus Munanzala, Rocky Bishoonga and Hellen Mwachiyaba. The Petitioner is put to strict proof therein.

[6.11] In answer to paragraph 8 (xv) the alleged violent conduct said to have occurred on 14th July, 2026 by the 1st Respondents' agents is denied, and it is averred that no such violence occurred and neither the 1st Respondent nor his agents were involved. As such, the Petitioner is put to strict proof thereof.

[7.0] The contents of paragraphs 9 (1 to 7) are within the peculiar knowledge of the Petitioner, however, the Petitioner is put to strict proof of the allegations traversed therein.

[8.0] The contents of paragraphs 10, to 18 of the Election Petition are within the peculiar knowledge of the Petitioner, who is put to strict proof of the same.

[9.0] In answer to paragraph 19 of the Election Petition, the 1st Respondent denies the contents rendered therein to the extent that the no violence, bribery, intimidation and corruption was ever exhibited by the 1st Respondent and/or his agents. The Petitioner is put to strict proof thereof.

[9.1] As to the allegation of authentication of electoral material and irregularities in the recording, tallying and announcement of results in the Kabwata constituency, the same is within the peculiar knowledge of the Petitioner, as results from the respective polling stations were recorded, verified and tallied by duly authorised electoral officials of the 2nd Respondent. The 1st Respondent was not responsible for, and did not participate in, the printing, posting, transmission, announcement or distribution of the polling-station results, those functions being within the responsibility of the 2nd Respondent. Therefore, the 1st Respondent offers no comment to the same and puts the Petitioner to strict proof thereof.

[9.2] Further to the foregoing, the 1st Respondent avers that the voters in the constituency were allowed to vote without impediment and thus the result is a true reflection of the vote, and whatever irregularities, as alleged by the Petitioner, were localised and had no effect on the expression of the people's vote.

[10.0] In answer to the contents of paragraph 20 of the Election Petition, the 1st Respondent responds as follows:

[10.1] In answer to paragraph 20(i) the 1st Respondent opposes the Petitioners sought relief that the votes in the said election be recounted and states that the Petitioner has failed to show due cause as to warrant this Honourable Court to order a recount of the August 13th Parliamentary Elections for Kabwata Constituency. Therefore, it is averred that the Petitioners claim is void of any validity.

[10.2] As to the contents of paragraph 20 (ii) and (iii), the 1st Respondent opposes the Petitioners the relief to have the 1st Respondents election as Member of Parliament for Kabwata Constituency null and void, and states that Petitioners case lacks merit and does not show sufficient cause to have the 1st Respondents election nullified. Further, it is averred that the Petitioners are misguided and do not possess any validity therein.

[10.3] In answer to paragraph 20 (iv), the 1st Respondent opposes the relief that the Petitioner be declared duly elected Member of Parliament for Kabwata Constituency, as the 1st Respondent was the duly elected candidate therein, as declared by the 2nd Respondent in accordance with the Constitution (Amendment) Act No. 2 of 2016, Electoral Process Act No. 36 of 2016 and the free and fair electoral process administered by the 2nd Respondent herein. It is further averred that the Petitioner has not shown sufficient cause to warrant this Honourable Court to grant the relief prayed for therein. The Petitioner is put to strict proof that he be declared duly elected Member of Parliament for Kabwata Constituency.

[10.4] The 1st Respondent opposes the relief traversed in paragraph 20 (v) to the extent that he did not breach any provisions of the Electoral Process Act No. 35 of 2016 and the Constitution (Amendment) Act No. 2 of 2016. The Petitioner is put to strict proof therein, of the alleged breach by the 1st Respondent.

[11.0] **WHEREOF**, the 1st Respondent prays that this Honourable Court be pleased to dismiss the Petition in its entirety, uphold the election and declaration of the 1st Respondent as the duly elected Member of Parliament for Kabwata Constituency , dismiss the reliefs sought by the

Petitioner, and award the costs of and incidental to the Petition to the 1st Respondent, together with such further or other relief as this Honourable Court may deem just.

That now shown to me and marked **"YD1"** is a true copy of the Declaration of Results Form evidencing the results referred to in the preceding paragraph.

8. That following the tallying of the results, the Returning Officer duly declared me elected as Member of Parliament for Kabwata Constituency.

9. That I participated in the electoral process throughout the election period and, from my own observations and information received from my duly accredited agents and observers, the election was conducted in an orderly manner, with voters freely casting their ballots and electoral officials undertaking the counting, verification and tallying of results in accordance with the applicable electoral procedure.

10. That in answer to paragraph 9 of the Petitioner's Affidavit Verifying Facts, neither I nor any of my agents engaged in any illegal practice, electoral malpractice, violence, intimidation, bribery, undue influence or other misconduct before, during or after the election.

11. That, on the contrary, the Petitioner and/or persons acting in concert with him and his agents engaged in acts of violence, intimidation and threats against my campaign team and supporters.

12. That in particular, on or about the 15th day of August, 2026, the Petitioner's agents and/or supporters attacked my constituency command center situated at Plot No. 277 Chilumbulu Road, Libala Stage 3, Lusaka.

16. That the allegations referred to in the preceding paragraph are denied, and the Petitioner will be put to strict proof thereof.

17. That in response to the allegations in paragraph 11(d) and (e) of the Petitioner's Affidavit Verifying Facts, I deny any knowledge of the matters alleged therein and state that neither I nor any of my agents participated in, authorised, directed or benefited from any of the alleged acts.

23. That in response to paragraph 14(a) to (h) of the Petitioner's Affidavit Verifying Facts, concerning the alleged irregularities in the recording, posting, verification, tallying and distribution of polling station results, I state that results from the respective polling stations were recorded, verified and tallied by duly authorised electoral officials of the 2nd Respondent.

24. That I was not responsible for, and did not participate in, the printing, posting, transmission, announcement or distribution of the polling-station results, those functions being within the responsibility of the 2nd Respondent.

25. That notwithstanding the foregoing, based on the original **GEN 20** Forms in my custody relating to the polling stations impugned by the Petitioner, the allegations made by the Petitioner are false, misconceived and unsupported by material evidence.

26. That further, even if any of the alleged discrepancies were established, which is denied, they are not material, do not affect the result of the election and are incapable of overturning my margin of victory of **10,452** votes. That now shown to me and collectively marked **"YD3"** are true copies of the relevant **GEN 20 Forms** relating to the polling stations impugned by the Petitioner in paragraph 14(a) to (h) of his Affidavit Verifying Facts.

27. That I am not aware of, and neither did I give nor cause to be given, any instruction to the Returning Officer concerning the timing, manner or sequence in which results from the remaining polling stations were announced.

28. That I was not responsible for the announcement of results, which was a function performed by the Returning Officer and other authorised officials of the 2nd Respondent.

29. That in response to paragraphs 14 and 15 of the Petitioner's Affidavit Verifying Facts, the allegations therein are denied.

30. That I am informed by my duly accredited agents and observers, whose information I verily believe to be true, that the election was conducted substantially in accordance with the prescribed statutory and electoral procedures at the polling stations at which they were accredited. That now shown to me and collectively marked **"YD4"** are true copies of the accreditation forms of my agents and observers deployed to the relevant polling stations.

31. That I am not aware of, and neither did I give nor cause to be given, any instruction to the Returning Officer or any electoral official to deny the Petitioner's agents access to polling-station results or an opportunity to verify such results.

32. That the allegation that the Petitioner's agents were denied the right to verify election results is denied, and the Petitioner is put to strict proof thereof.

33. That I did not at any time declare myself the winner of the Kabwata Constituency parliamentary election.

34. That I was declared duly elected by the Returning Officer following the completion of the official counting, verification and tallying process and the formal announcement of the results at the tallying centre.

35. That based on my own observations and the information received from my duly accredited agents and observers, I verily believe that the Kabwata Constituency parliamentary election was conducted through a transparent, orderly and substantially compliant electoral process in accordance with the applicable law and prescribed procedures.

36. That the majority of the voters in the constituency were allowed to vote without impediment and thus the result is a true reflection of the vote, and whatever irregularities, as alleged by the Petitioner, were localised and had no effect on the expression of the people's vote.

37. That I further verily believe that the Petitioner has failed to demonstrate any illegality, irregularity or non-compliance capable of affecting the result of the election or warranting the nullification of my election.

38. That I verily believe that the Petitioner is not entitled to any of the reliefs sought in the Petition and that this Honourable Court ought to dismiss the Petition and uphold my election and the declaration made by the Returning Officer.

39. That the contents of this Affidavit are true and correct to the best of my knowledge, information and belief.

SKELETON ARGUMENTS

(Pursuant to Rule 10(2)(b) of the High Court (Election Petition) Rules, 2026 Statutory Instrument 31 of 2026)

MAY IT PLEASE THIS HONOURABLE COURT, these are the Skeleton Arguments in Support of the Answer to the Election Petition and Affidavit filed on behalf of the 1st Respondent.

[1.0] INTRODUCTION

[1.1] This matter originates from the general election held on 13th August, 2026 for the Member of Parliament seat for Kabwata Constituency, in which the 1st Respondent was duly declared the winning candidate in the fore stated election. The Petitioner since petitioned this Honorable Court challenging *inter alia* the

declaration of the 1st Respondent as Member of Parliament for Kabwata Constituency. The 1st Respondent furthers the following Skeleton Arguments in Support of Answer to the Election Petition and Affidavit and shall demonstrate that the Election Petition lacks sufficient foundation, merit and ought to be dismissed.

[2.0] WHETHER OR NOT THE ELECTION OF THE 1ST REPSONDENT SHOULD BE NULLIFIED, IN ACCORDANCE WITH THE LEGAL REQUIREMENTS THEREIN:

[2.1] **MY LORD/LADY,** in the basis for nullifying an election for Member of Parliament where corrupt practice, illegal practice or other misconduct is alleged in an Election Petition is governed by the provisions of the ***Electoral Process Act*** under ***Section 97(2)***[1] , and provides the following guidance:

> ***"(2) The election of a candidate as Member of Parliament, mayor, council chairperson or councillor shall be void if, on the trial of an election petition, it is proved to the satisfaction of the High Court or a tribunal, as the case may be, that –***
> ***(a) a corrupt practice, illegal practice or other misconduct has been committed in connection with the election –***
> ***(i) by a candidate; or***
> ***(ii) with the knowledge of and consent or approval of a candidate or of that candidate's election agent or polling agent; and the majority of voters in the constituency, district or ward were or may have been prevented from electing the candidate in that constituency, district or ward whom they preferred."***

Further ***Section 97(4) of the Electoral Process Act***[2] provides that:

> ***"(4) An election shall not be declared void by reason of any act or omission by anelection officer in breach of that officer's official duty in connection with an election if it appears to the High Court or a tribunal that the election was so conducted as to be substantially in accordance with the provisions of this Act, and that such act or omission did not affect the result of that election."***

[2.2] **MY LORD/LADY,** to properly outline the meaning of the fore stated provisions, reference is made to the Constitutional Court case of ***Musumba v Kamondo***[3] where it was stated that:

> ***"The requirement in the current law for nullifying an election of a Member of Parliamentis that a petitioner must not only prove that the respondent has committed a corrupt or illegal act or other misconduct or that the illegal act or misconduct complained of was committed by the respondent's election agent or polling agent or with the respondent's knowledge, consent or approval, but that he/she must also prove that as a consequence of the corrupt or illegal act or other misconduct***

[2] Ibid.
[3] (2017) 3 Z.R. 130.

committed, the majority of voters in the constituency were or may have been prevented from electing a candidate whom they preferred."

In further reference and explanation, the case of ***Nkandu Luo v Doreen Sefuke Mwamba***[4] went on to hold that:

> ***"Section 97(2) of the (Electoral Process) Act is central to the judicial resolution of electoral disputes...In order to successfully have an election annulled, there is a threshold to surmount. The first requirement is for the petitioner to prove to the satisfaction of the Court, that the person whose election is challenged personally or through his duly appointed election or polling agent, committed a corrupt practice or illegal practice or other misconduct in connection with the election; or that such malpractice was committed with the knowledge and consentor approval of the candidate or his or her election or polling agent... In addition, the petitioner has the further task of adducing cogent evidence that the electoral malpractice or misconduct was so widespread that it swayed or may have swayed the majority of the electorate from electing the candidate of their choice."***

[2.3] **MY LORD/MY LADY,** applying the foregoing principles to the present case, the Petitioner's allegations are primarily grounded on the conduct of the Returning Officer and other electoral officials in relation to the tallying, verification and announcement of results, in the facilitation of the electoral process and declaration of results therein. However, the Petitioner has produced evidence supporting his allegations, demonstrating that the 1st Respondent personally committed any corrupt practice, illegal practice or other misconduct, or that any such conduct was undertaken with his knowledge, consent or approval. It is therefore submitted that the Petition herein is not supported by sufficient, cogent and credible evidence capable of establishing reasonable ground upon which the election may be lawfully nullified. Thus, the Petition fails to satisfy either limb of the considerations provides for in the above cited law and statute.

[2.4] In further submission, **MY LORD/LADY,** it is not in contention that the 1st Respondent was a candidate in the 13th August, 2026 Parliamentary Election for Kabwata Constituency, just like the Petitioner herein and not an election officer or official of any capacity. He neither counted the votes, verified the GEN20 Forms, controlled the tallying centre nor declared himself the winner of the elections. The declaration of the 1st Respondent as duly elected Member of Parliament for Kabwata Constituency was made by the Returning Officer acting in official capacity upon completion of the electoral process. Therefore, the 1st Respondent played no role in the electoral process to any extent and the accusations of the Petitioner herein do not have sufficient evidence to show the involvement

[4] Selected Judgment No. 51 of 2018.

of the 1st Respondent herein and the Petition falls short of the criteria recognized in the fore cited law and ought to be dismissed as it fails to satisfy the requirements that warrant the nullification of an election.

[2.5] **MY LORD/LADY,** through the announcement of the election results shown in the official electoral documentation, including the Declaration of Results Form marked **"YD1"**, the relevant GEN 20 Forms marked collectively **"YD3"**, and the accreditation forms of his agents and observers marked **"YD4"**, the 1st Respondent obtained 31, 566 votes and the Petitioner obtained 21, 114 votes, having a majority vote of 10, 452 votes obtained by the 1st Respondent. In order for the Petitioner to prove his case, he must rise evidence that will satisfy the statutory conditions that warrant nullification of results and allegations of irregularity without any connection to the 1st Respondent and without proof of their effect on the electorate, cannot by themselves satisfy the threshold imposed by ***Section 97(2) of the Electoral Process Act.***[5] Therefore, it is submitted that the Petition fails to satisfy that limb of the considerations that warrant the nullification of election results, and it ought to be dismissed for lack of validity.

[2.6] **MY LORD/LADY,** to further demonstrate the insufficiency of the Petition herein it is imperative to refer to ***Section 97(4) of the Electoral Process Act***[6] which guides that an election is not to be lightly disturbed merely because an election officer may have committed an act or omission in the discharge of official duties. The primary consideration in relation to the fore stated provision is whether the election was substantially conducted in accordance with the law and whether the alleged act or omission affected the result.

[2.6.1] The 1st Respondent maintains that the Parliamentary election held in Kabwata Constituency was conducted through transparent, orderly and prescribed electoral process which declared him duly elected candidate by the Returning Officer, in total compliance with the law. Therefore, it is submitted that the Petitioner has not demonstrated, on the facts pleaded, that any alleged irregularities are attributed to the 1st Respondent or that it prevented the majority of voters from electing the candidate of the choice.

[2.6.2] **MY LORD/LADY,** on that basis, the 1st Respondent respectfully submits that the statutory threshold for nullifying his election has not been established or demonstrated by the Petitioner and that the Petition seeking to have election nullified ought to be dismissed for lack of merit. Therefore, having that the election of the 1st Respondent as duly elected Member of Parliament of Kabwata was conducted

---

[5] Supra note 1.
[6] No. 35 of 2016.

and concluded on merit, the Petition fails and the election and its attendant results ought not to be disturbed unless the Petitioner proves the grounds upon which the law permits a solemn results to be overturned.

[3.0] STANDARD OF PROOF IN NULLIFICATION OF AN ELECTION

[3.1] **MY LORD/LADY,** it is settled principle that the applicable standard of proof in an election petition is higher than that required in an ordinary civil action but lower than the standard of beyond reasonable doubt required in criminal matters. Furthermore, the evidence adduced in support of the allegations made must prove issues raised to a fairly high degree of convincing clarity. This position of the law was restated by the constitutional Court in the case of ***Mutapwe v Shomeno***[7] where we held that:

> ***"The petitioner in an election, just as in any other civil matter, bears the burden to prove the electoral offence complained of. However, the standard of proof in an election petition is higher than that required in an ordinary civil action. The evidence adduced in support of the allegations made in an election petition must prove the issues raised to a fairly high degree of convincing clarity."*** (emphasis ours)

From the above guidance, it is submitted that the burden of proof for election related matter rests upon the Petitioner to prove that the electoral offence complained of, and mere allegation, suspicion or assertions of illegality do not suffice to discharge this burden. Therefore, evidence adduced in support of a Petition, as that *in casu* must be of a high degree of convincing clarity, higher than the regular standard of proof in civil proceedings but lower the proof beyond reasonable doubt observed in criminal proceedings.

[3.2] Therefore, the 1st Respondent submits that the Petition has failed to discharge the burden of proof, as the allegations contained in the Petition remain largely assertions concerning the conduct of Returning Officer and electoral officials and various polling stations, in the absence of cogent evidence demonstrating that the 1st Respondent personally committed, authorized, consented to or had knowledge of any corrupt practice, illegal practice or other misconduct. Neither has the Petitioner demonstrated that any alleged irregularity was sufficiently material nor widespread as to prevent the majority of the voters in Kabwata Constituency from electing the candidate of their choice. Therefore, in the absence of such proof, the threshold for disturbing the election duly declared by the Returning Officer has not been met, thus, the Petition fails to establish any reasonable validity to have election of the 1st Respondent nullified herein and ought to be dismissed for lack of merit.

---

[7] Appeal No. 19 of 2017.

[4.0] CONCLUSION:

[4.1] **MY LORD/MY LADY**, in conclusion, the 1st Respondent respectfully submits that the Petitioner has not placed before this Honourable Court the cogent and convincing evidence required to unsettle an election duly conducted and declared. The Petition rests upon allegations largely concerning the conduct of electoral officials, without sufficient evidence connecting the 1st Respondent to any unlawful act or demonstrating that any alleged irregularity affected the will of the majority of the electorate. Therefore 1st Respondent humbly prays that this Honourable Court upholds the declaration of **YENGA DANNY** as the duly elected Member of Parliament for Kabwata Constituency and dismiss the Petition with costs.
