**AFFIDAVIT VERIFYING FACTS**

---

I, **ANDREW TAYENGWA**, a Zambian national and businessman ordinarily resident at Plot No. 8, Nkaka Road, New Kamwala, Lusaka District, Lusaka Province, **DO HEREBY MAKE OATH AND SAY** as follows:

1. My name, nationality and address are as stated above.
2. I am the Petitioner in this matter, and, by virtue of that position, I am competent to swear this Affidavit in respect of matters within my personal knowledge, information and belief.
3. That I was a Parliamentary Candidate for Kabwata Constituency in the General Elections held on 13 August 2026 wherein I was adopted by the United Party for National Development (UPND), while the 1st Respondent contested under the National Reconciliation Party for Unity and Prosperity (NRPUP).
4. That Ten (10) candidates contested the said parliamentary seat, namely:

    (a) Yenga Danny — Independent;

    (b) Tayengwa Andrew — UPND;

    (c) Chansa O. Chisanga — Independent;

    (d) Mulabe Mike — Independent;

    (e) Mbewe Euphrasia — Independent;

    (f) Simataa Mainda — Independent;

    (g) Mbewa J. Brian — Independent;

    (h) Mubanga N. Francis — CF;

    (i) Kasongo C. Patson — LM; and

    (j) Mawele Joshua — PEP.

    There is now produced and shown to me and marked **"AT 1"** is a true copy of the Record of Proceedings confirming the same.

5. That after voting, the Returning Officer declared the constituency results as follows:

(a) Yenga Danny — Independent — 31,566 votes;

(b) Tayengwa Andrew — UPND — 21,114 votes;

(c) Chansa O. Chisanga — Independent — 1,965 votes;

(d) Mulabe Mike — Independent — 1,873 votes;

(e) Mbewe Euphrasia — Independent — 1,166 votes;

(f) Simata Mainda — Independent — 803 votes;

(g) Mbeba J. Brian — Independent — 436 votes;

(h) Mubanga N. Francis — CF — 248 votes;

(i) Kasongo C. Patson — LM — 190 votes; and

(j) Mawele Joshua — PEP — 145 votes.

There is now produced and shown to me and marked "**AT 2**" a true copy of the declaration of results form.

8. That Consequently, on 15 August 2026, the 2nd Respondent, through the Returning Officer, declared the 1st Respondent duly elected Member of Parliament for Kabwata Constituency.
9. That the 1st Respondent and his agents engaged in illegal practices and other misconduct in connection with the election, including bribery, undue influence, threats, intimidation, violence and campaigning at polling stations on polling day, in wards across the constituency before, during and after the election.
10. That the said conduct in the preceding paragraph was contrary to the stipulated rules and undermined the free and fair conduct of the election and the integrity of the electoral process.
11. The particulars of the said irregularities are as follows:

(a) The ballot papers moved from St Patrick's Primary School totalling centre were found open at Sandulula Polling Station in Hellen Kaunda Polling District on the day preceding the poll.

(b) The circumstances in which the ballot papers were opened and moved raised serious concerns regarding the integrity and security of the electoral materials managed by the 2nd Respondent.

(c) One (1) out of Eighteen (18) ballot books intended for Chilenje High School and Chimanga A Polling Station was missing.

(d) The GEN 20 forms relied upon by the 2nd Respondent were not signed by the Petitioner's agents or the 2nd Respondent's presiding officers at Muyooma-01, Muyooma-02 and New Kamulanga Primary School. Now produced and shown to me and collectively marked "**AT 3**" are copies of the unsigned GEN 20 forms.

(e) At Kamulanga School-A13, the 2nd Respondent's presiding officer, Annie Mfula, caused the Petitioner's agents, Mary Zulu and Alfred Simoonga, to sign a blank GEN 20 form.

(f) The 1st Respondent's agents, paid sums of money to voters at polling stations as an inducement to vote for the 1st Respondent. This happened at Chilenje Community Hall, at various points at Kamulanga secondary school, Muyoma, Kamwala South, School of Built Environment and Kamwala Primary School.

(g) The Returning Officer for the 2nd Respondent announced results for only forty-three (43) out of one hundred and fifty-four (154) polling stations, contrary to the requirements of the Electoral Process Act relating to the announcement of results.

(h) The purported aggregate results of 31,565 votes for the 1st Respondent and 21,144 votes for the Petitioner were inaccurate because the totals announced by the 2nd Respondent did not reflect the actual votes cast and announced at the various polling stations, thereby disadvantaging the Petitioner and tainting the credibility of the results.

(i) At Lilayi Primary 01, the petitioner got 462 votes against 127 for the 1st Respondent and which votes were not recorded and announced by the Returning Officer nor were they recorded in the Record of proceedings.

(j) On 13th August 2026, being polling day, the 1st Respondent and his agents campaigned to voters already in queues at polling stations across Kabwata Constituency by displaying the lamp symbol and making statements that "***ukuya kwena muleya set***" in support of the 1st Respondent.

(k) At Arthur Wina Polling Station, the 2nd Respondent's agents were harassed by the 1st Respondent's agents, thereby disrupting the voting process, vote counting and instilling fear into voters generally.

(l) Further to subparagraph (k) above, the 1st Respondent's agents used violence to prevent the 2nd Respondent's Presiding Officer from properly performing her functions and it took Zambia National Service to calm the volatile situation.

(m) Prior to polling day, persons acting as agents of the 1st Respondent engaged in violent activities at different polling stations, resulting in damage to two vehicles bearing registration numbers BAZ 5123 and AIF 9514 and belonging to the Petitioner's agents. Now produced and shown before me is **"AT4",** Pictures of the damaged motor vehicles.

12. That the 1st Respondent and his agents ran campaign marred by violence such that on different dates but in July to August a number of the Petitioners agents were assaulted by his agents. Among the victims of the said assault were Bbanabus Munanzala, Rocky Bishoonga and Hellen Mwachiyaba. Now produced and shown to me and marked **"AT 5"** are copies of the said medical reports.

13. That on 14 July 2026, the 1st Respondent's agents engaged in violent conduct at Gondwe Compound during door-to-door campaigns. His conduct caused fear among voters and adversely affected voter participation to the disadvantage of the Petitioner.

14. That the Record of Proceedings and the results announced by the Returning Officer are defective in form and substance and disclose material irregularities in the recording, posting, tallying and distribution of polling-station results. The particulars of the irregularity in announcing and tallying are as follows:

a. Polling-station results were duplicated in favour of the 1st Respondent at five (5) out of the 154 polling stations, namely: Arthur Wina Primary School-01; Chilenje South Secondary School-01; Lilayi Primary School-01; Muyooma Primary School-02; and Chilenje B Primary-01.

b. GEN 20 forms from eleven (11) out of the 154 polling stations were incorrectly posted in the Record of Proceedings, namely: Libala Secondary School-04; Kabwata Community Hall-03; Hellen Kaunda Nursery School-02; Kamulanga Secondary-02; Kamulanga Secondary-12; Kamulanga Secondary School-13; Chilenje B Primary-01; New Kamwala South-04; Kamulanga Secondary-11; Hillview Primary School-04; and Lilayi Primary-01.

c. GEN 20 forms were not signed by the presiding officer at four (4) out of the 154 polling stations, namely: School of Built Environment-02; St Patrick's Primary School-02; Chilenje South Secondary School-04; and Kamulanga Primary School-02.

d. GEN 20 forms at certain polling stations purported to bear endorsements or signatures on behalf of candidates' agents, including the Petitioner's agent, in circumstances which the Petitioner contends were irregular. The affected polling stations include Arthur Wina Primary School-04 and Twinkle Star Private School-01. There is now produced and shown to me **"AT 6",** a true copy of Gen20 forms and other ECZ forms bearing one signature purporting to be that of the respective election monitors.

e. The 2nd Respondent allowed unofficial GEN 20 forms to be used at Kamulanga Secondary School-02. There is now produced and shown **"AT 7",** a true copy of unofficial documents being used as Gen20.

f. The 2nd Respondent did not tally and enter the election results in the Record of Proceedings in respect of Kamulanga C-05 (proof).

g. The Presiding Officer did not sign the GEN 20 forms for New Kamwala Primary School-04 and School of Built Environment-02 (proof).

h. Certain GEN 20 forms were not properly authenticated because the relevant Presiding Officers neither signed nor completed the information identifying the polling stations from which the forms originated. There is now produced and shown **"AT 8",** a true copy unsigned or forms without serial numbers.

13. That the failure to provide GEN 20 forms to the Petitioner's agents deprived the Petitioner of the opportunity to verify the polling-station results and materially undermined the transparency and integrity of the electoral process.

14. That the Petitioner and his agents brought the alleged irregularities and illegalities to the attention of the Presiding Officer and appealed to the Returning Officer for the 100 polling stations, but the complaints were overlooked, neglected and not adequately addressed. There is now produced and shown to me collectively marked **"AT 9",** a true copy a summary list, objections and appeals by the petitioner.

15. That I wrote a letter of complaint addressed to the Town Clerk requesting that the objections and appeals made by my Agents be considered. There is now produced and shown to me marked **"AT 10"** a true copy of the letter.

16. That the 2nd Respondent's failure to make the GEN 20 forms available to the Petitioner's agents at various polling stations denied the Petitioner the right to verify the election results and constituted a departure from the prescribed electoral process.

17. That the 2nd Respondent failed to announce individually the results from one hundred and eleven (111) out of the 154 polling stations and instead announced a consolidated result.

18. That I am reliably advised by my Advocates, which advice I verily believe to be true, that the actions of the 2nd Respondent described in the preceding

paragraph constituted a material departure from the prescribed process for announcing and tallying results.

19. That in view of the foregoing, I am advised by my Advocates, which advice I verily believe to be true, that the conduct of the 1st and 2nd Respondents contravened the electoral rules and thereby renders void the declaration of the 1st Respondent as Member of Parliament for Kabwata Constituency.
20. That the contents of this Affidavit are true and correct to the best of my knowledge, information and belief.

**TO THE ATTENTION: THE RETURNING OFFICER KABWATA**

**RE: REQUEST FOR CONSIDERATION OF RECOUNT FOLLOWING OBJECTIONS RAISED AT NAMED POLLING STATIONS**

Dear Sir/Madam,

I write in reference to the above-mentioned subject being a Parliamentary candidate in the General Elections held on 13th August 2026 in Kabwata Constituency.

During the counting and tallying of votes at various polling stations within Kabwata Constituency, my polling agents raised a number of concerns and formal objections.

In view of the numerous objections and concerns raised by my polling agents at the aforementioned polling stations, I respectfully request that your office give serious consideration to conducting a recount of the votes cast at the named polling stations.

This request is made in the interest of transparency, accountability, accuracy and the integrity of the electoral process. A recount would provide an opportunity to verify the accuracy of the figures recorded on the relevant results forms and ensure that the votes cast by the people in the named polling stations have been correctly counted and accurately reflected.

Find attached List of one Hundred (100) affected polling stations.

Your prompt and favourable consideration of this matter will be highly appreciated. Yours faithfully,

Andrew Tayengwa
